at these factors to get a clearer sense of what Brown offers and if it could be the right college for you.

**Brown Acceptance Rate 2022**

It is extremely difficult to get into Brown. Around 6% of applicants get into Brown each year. In 2022, just 2,568 out of the 46,568 students who applied were accepted.

**Retention and Graduation Rates at Brown**

Retention refers to the number of students that stay enrolled at a school over time. This is a way to get a sense of how satisfied students are with their school experience, and if they have the support necessary to succeed in college.

Approximately 98% of first-year, full-time undergrads who start at Brown come back their sophomore year. 95% of Brown undergrads graduate within six years. The average six-year graduation rate for U.S. colleges and universities is 61% for public schools, and 67% for private, non-profit schools.

**Job Outcomes for Brown Grads**

Job placement stats are a good resource for understanding the value of a degree from Brown by providing a look on how job placement has gone for other grads.

Check with Brown directly, for information on any information on starting salaries for recent grads.

**Brown's Endowment**

An endowment is the total value of a school's investments, donations, and assets. Endowment is not necessarily an indicator of the quality of a school, but it can give you a sense of how much money a college can afford to invest in expanding programs, improving facilities, and support students.

As of 2022, the total market value of Brown University's endowment was \$4.7 billion. The average college endowment was \$905 million in 2021. The school spends \$34,086 for each full-time student enrolled.

**Tuition and Financial Aid at Brown**

Tuition is another important factor when choose a college. Some colleges may have high tuition, but do a better job at meeting students' financial need.

Brown meets 100% of the demonstrated financial need for undergraduates. The average financial aid package for a full-time, first-year student is around \$59,749 a year.

The average student debt for graduates in the class of 2022 was around \$24,102 per student, not including those with no debt. For context, compare this number with the average national debt, which is around \$36,000 per borrower.

The 2023-2024 FAFSA Opened on October 1st, 2022

Some financial aid is awarded on a first-come, first-served basis, so fill out the FAFSA as soon as you can. Visit the FAFSA website to apply for student aid. Remember, the first F in FAFSA stands for FREE! You should never have to pay to submit the Free Application for Federal Student Aid (FAFSA), so be very wary of anyone asking you for money.
